**start your university
degree at College of Marin.**

Our university level courses are transferable for bachelors degrees in any major at University of California and California State University schools, as well as private universities. Students transferring from COM often outperform and are better prepared than students that start at a four-year institutions. At College of Marin, students get a private liberal arts college experience at a community college price.

At College of Marin, you'll jump start your future with:

- Higher acceptance rates to quality universities
- The opportunity of guaranteed admission at five University of California schools
- Top-notch instructors
- Small class sizes
- Personalized attention
- Academic support

Student Support

Let us help you be successful. Our Student Services will orient you to college and its many opportunities. College of Marin offers:

- Financial Aid
- Counseling
- Tutoring
- Transfer information
- Job Placement services

Student Life

College of Marin offers a thriving student life. Student activities include:

- Athletics
- Student clubs
- Student government
- Student leadership

How to Enroll

Meet with a College of Marin counselor. We visit each high school in Marin. Or, make an appointment at the College. Call the counseling department for more information.
