

2007-2008 PTSA Membership & Student Directory Order Form

YOUR DUES MAKE A DIFFERENCE – PLEASE SUPPORT REDWOOD PTSA!

The mission of the Redwood High School Parent-Teacher-Student Association (PTSA) is as follows:

- to foster communication between the school and the home;
- to present relevant parent education programs;
- to encourage parents to become involved in school activities; and
- to support projects or programs designed to improve the education, health, safety and well-being of students.

Your membership is important and our goal is to reach 100% participation! PTSA Membership dues cover the whole family.

The Student Directory is a handbook of student/parent addresses and phone numbers, school information, and community business advertisers who support Redwood High School. **You can order directories only through the PTSA – they are not included in the “Right Stuff” package.**

NOTE: If you do not become a member your student listing will be compiled from enrollment information already on file with the school.

As a member you are able to customize your listing by adding a student’s personal phone number and by verifying what the school has on file for you.
